

JOB TITLE: Pittsburgh Line Cook
LOCATION: Pittsburgh Tasting Room
REPORTS TO: Pittsburgh Kitchen Manager

POSITION SUMMARY:

The Line Cook at Aslin Beer Company is responsible for cooking food to correct temperatures and holding food at state required temperatures along with keeping food quality on-par with Aslin standards for service, along with keeping a clean and stocked work environment. The Line Cook duties are to maintain the cleanliness of the kitchen so food is being served from a safe environment, keeping a fast-paced work environment so dishes come out in a timely manner, and keeping it organized and stocked as setup and described in your employee handbook. Also will be required to have an open communication with other line cooks / prep cooks, food runners, & food manager and voice problems or concerns in a timely manner so they can be fixed before customers are affected. This role will be a fast paced job and requires the individual to be proficient at multitasking and follow specific directions handed down from the kitchen manager, and to continue to follow those directions and steps as directed by the kitchen manager.

At Aslin Beer Company,

- We believe fun comes from experimentation.
- We believe uniform aesthetics are lazy.
- We believe everyone should be able to tell their version of our story.
- We believe innovation is not possible without experimentation.
- We believe our success depends on our willingness to explore.
- We believe quality is our responsibility.
- We believe beer is our product but the experience is our brand.
- We don't believe in the status quo.
