I'll have another.

Medium Roast / Washed Guatemalan & Kenyan

Tasting notes: Freeze dried strawberries, malted oats, & milk chocolate

The "I'll have another" series is our most versatile blend as it can be brewed tastefully as drip, pour over, & cold brew. This blend is comprised largely of Guatemalan beans, which provide dark fruit flavors, and beans from Kenya that create a more complex body and smooth mouthfeel. Have fun with this blend by brewing it in different styles & let us know which you loved the most.

Going to be a long one.

Dark Roast / Washed Mexican & Natural Ethiopian

Tasting notes: Apricots, red plums, & ganache

Our darkest roast, "Going to be a long one" is our choice for all espresso drinks at Aslin. By roasting both beans simultaneously, this blend balances creamy flavors with subtle fruity notes
